World Congress on Medical Physics and Biomedical Engineering, 2012: Call for Papers

The World Congress on Medical Physics and Biomedical Engineering will hold in 2012 in Beijing, China, between May 25 – 30. The Organizing Committee of the World Congress 2012 on Medical Physics and Biomedical Engineering invites the submission of abstract for consideration in the final program and the submission of papers for consideration for publication in IFMBE Proceedings. Any submission should have half-page (within 300 words) abstract, and 2-4 page paper is welcome and optional. Deadline for Final Abstract Submission (half-page) & Paper Submission (optional) is November 11, 2011. Deadline for Abstract & Paper Acceptance Notification is January 25, 2012. Deadline to Submit application for the IOMP Travel Assistance Award is January 31, 2012. Deadline for Author Registration is February 15, 2012. Deadline for Early Bird Registration is March 15, 2012. Deadline for Hotel Booking is April 20, 2012

NIBE has commenced her academic Linkage Programme with the Federal University of Technology, Owerri, Nigeria.

The Nigerian Institute for Biomedical Engineering (NIBE) www.nigerianbme.org has commenced her academic linkage programme in Biomedical Engineering Technology with the Federal University of Technology, Owerri, Nigeria.

The programme, which philosophy is to produce graduates who effectively combine the knowledge of biology and medicine with those of engineering and physical sciences to design and fabricate devices, commenced on June 30, 2011 with the First Semester of 2010/2011 Session. Registration of students commenced Monday 18 July, 2011, while the First Semester, 2010/2011 Session Examination is billed to commence Monday November 28, 2011.

NIBE holds her 12th Annual Biomedical Engineering Conference / General Meeting in Osogbo, Osun State, Nigeria

The Nigerian Institute for Biomedical Engineering (NIBE) announces her 12th Annual Biomedical Engineering Conference/General Meeting (titled OSOGBO 2011) scheduled to hold between November 03 and 05, 2011 at the Osun State University, Osogbo, Osun State, Nigeria.

The conference with theme "Development of Biomedical Engineering Education in Nigeria" is an annual event organised for the purpose of reading and discussing papers on biomedical engineering and allied sciences. The conference is composed of scientific programmes, social events and exhibitions. The official language is English.

The 2012 Professional Development Course of NIBE holds in Ibadan, Oyo State, Nigeria

The Nigerian Institute for Biomedical Engineering (NIBE) announces her 2012 Professional Development Course of NIBE holding in Ibadan, Oyo State, Nigeria between April 09 and 14, 2012 at the University College Hospital, Ibadan, Oyo State, Nigeria.

The course is an annual event which brings the participant's technical and professional knowledge up to date with current views of biomedical engineering at a global level. The 2012 is divided into seven aspects: Foundation Biomedical Engineering I and II, Basic Biomedical Engineering, Intermediate Biomedical Engineering I and II, Advanced Biomedical Engineering and the NIBE Fellowship.

It is expected that participants would be able to apply the knowledge acquired to the development and advancement of biomedical engineering & health of Nigerians, Africans and other nationalities.
